## AGENDA

The Press and Public are invited to attend the Bradfield Combust with Stanningfield Parish Council Meeting to be held on 25<sup>th</sup> MARCH 2024 at 7.30pm at Stanningfield Village Hall

	<p>a) Apologies for absence have been received from Cllrs Tyrell, Mayhew and J Clark.</p> <p>b) Council to consent to accept the apologies received</p>

2024/95	<b>PUBLIC PARTICIPATION</b>	
	<p>Members of the public may speak about specific items on this agenda, providing that the clerk has been notified of the intention to speak and the subject 24 hours prior to the meeting.</p> <p>(i) May I ask if I can attend a parish council meeting to request permission to house a 2nd hive on the same site, please, as, on occasions, the bees tend to swarm, and I wish to retain these bees on site. Also, by placing a 2nd empty hive on site it can attract a swarm from elsewhere.</p> <p>(ii) Concerns about speeding from two residents and answer from Beyton Parish Council clerk on their Automatic Number Plate Recognition device. 20s Plenty campaign (clerk)</p> <p>(iii) I have been approached by a local resident that has been asked by a Lawshall resident whether a junior football team could play on our green. Personally I would be against it due to the proximity of the road. The green itself would be excessively churned up. And there is no parking for parents bringing their children.</p> <p>(iv) Speeding. I know that this is a very contentious subject. But due to what has been happening over the past few weeks, mostly due to closure of A134 they have been using Stanningfield as a rat run. One of these cars killed a cat and was witnessed by another driver saying that the driver was speeding, 70 mph. They have also churned up many of the verges because much of the village road is narrow and really allows one car at a time. But these vehicles have no respect for people's land. I feel that it is only time before something serious happens. Have you any ideas what happens in other villages?</p>	<b>PAPER 1</b>
